THIS IS THE REWARD THAT AWAITS IF THE COVENANT IS FULFILLED SINCERELY.

We often get caught up in the immediate demands of life because, naturally, we tend to focus on what is right in front of us. We pour all our energy into solving today's problems, sometimes losing sight of the bigger picture. However, the Bible encourages us to look beyond the now. In John 16:13, Jesus explains that the Spirit 'will declare to you the things that are to come.' If we only focus on the present and ignore the future God has prepared, we risk losing our true purpose and direction.

The net effect of people taking crash courses to upgrade educational experiences in many subjects is to increase their merit. The matters we call as competence or qualifications often referred to as eligibility is named as merit or qualification in the Bible. Now, no matter how experienced or how eligible people are, if the number of people with eligibility increases the subject of merit will also become a question mark. The Bible opens another door for this; not by merit, but by grace. Jesus promotes the Emmanuel concept of living with God, by taking God on our side. For God to travel with us, holiness has a great importance. If we practice unholy lifestyles, God will not be able to come to us and help us. God has revealed an inner desire to be with man in the Old Testament itself. "I will come with you wherever you go",

I TOOK THE ONLINE COVENANT DURING A TIME OF ECONOMIC CRISIS. THE MIRACLE THAT HAPPENED WITHIN 10 DAYS!

"Blessed are all who fear the Lord, who walk in his ways. You will eat the fruit of your labor; blessings and prosperity will be yours" - Psalm 128:1-2

I was in Kuwait, and after becoming pregnant, I resigned from my job and went back to my native place. On reaching home, our family faced an inescapable economic crisis. I returned to Kuwait in search of a job. Although I submitted my CV to many clinics, I did not get a job. This was because I had not received the NOC from the hospital from where I had resigned, and the license could not be changed. I took the online covenant and prayed, and I got a job within 10 days. Later in 2023, my husband came to Kreupasanam and took the covenant. The Blessed Mother helped us to live as a family in Kuwait.

I DO NOT HAVE THE CAPACITY TO MEMORIZE A SINGLE LINE EVEN IF IT TOOK ME AN HOUR. THROUGH THE COVENANT MOTHER RAISED ME UP, NOT BY MERIT!

"I can do all things through Christ who strengthens me" - Philippians 4:13:

I was suffering from asthma. I came to Kreupasanam, took the covenant, applied the blessed oil and prayed, and was healed. Similarly, when the Plus Two exam results were published, all the students in my class passed except me. I do not have the capacity to memorize a single line even if it took me an hour. I placed this intention in the covenant, took the blessed medal with me, and wrote the exam. I passed with good marks and got an admission in a good college. Afterwards, the Holy Mother blessed me with a good job in Dubai. The Holy Mother helped me to advance spiritually, to say the rosary always, and to do works of mercy.

MARIAN COVENANT PRAYER: FOR IMMEDIATE ANSWERS TO YOUR PRAYER REQUESTS

A prayer of consecration, for the sanctification and empowerment of your spirit; Holy Mother, Ark of the Covenant, pray for us.

2 AMAZING TESTIMONIES I RECEIVED THROUGH FR. JOSEPH'S LAYING OF HANDS MINISTRY

"The Lord will open up for you his rich storehouse, the heavens, to give your land rain in due season and to bless all the works of your hands." — Deuteronomy 28:12

I came to Kreupasanam and took the covenant while I was waiting for my visa after completing the processing to go to Ireland. I scheduled a date for the aptitude exam, met Rev. Fr. Joseph, and prayed. The aptitude exam in Ireland has 14 stations, and it is very difficult to pass. I went with the blessed salt to write the exam. I passed it and got a job. My husband also received a well-paid job in a good company through Fr. Joseph's prayers. After renewing the covenant and praying, after 4 years, although there were complications, we had a baby without any problems.

KIDNEY CYST HEALED THROUGH FR. JOSEPH'S HEALING PRAYER

"For God did not give us a spirit of cowardice but rather of power and love and self-control" - 2 Timothy 1:7

I had been suffering from fear and anxiety for years. My whole body felt hot, my mind was burning, I felt like I was going to be hit by a vehicle when I walked on the road, and even when I was indoors, I had difficulty walking. So, I was completely worried, felt mentally deranged, and came to Kreupasanam on my own from Goa. I hugged the statue of Mother and cried. The moment I set foot here, my fear and anxiety completely disappeared. I had a cyst on my kidney. During the healing adoration, Rev. Fr. Joseph gave the message that the Lord is healing a person with a cyst on the kidney. As a result of praying using the blessed articles, I was healed.

we should take maximum advantage of this! That is a door God has opened for us. God desires to be with us wherever we go. Our risk here is that it would be difficult for us to take God along, because there is a big problem between our natural disposition and what God wishes.

Now is the time to move forward by taking a firm stand on the Word; this is our opportunity to walk with God. Often, only a few people truly take advantage of this chance. This is evidenced by the testimony of Lakshmi at the Kreupasanam altar. Lakshmi is a GNM nurse. She was saved because of a specific question I posed in a sermon: "What are you doing that is extra-ordinary?" Christ asked me that very question one day after I finished reading the Word, and I, in turn, asked it of myself and of you. As Matthew 5:47 says, "And if you greet only your brothers and sisters, what more are you doing than others? Do not even the Gentiles do the same?" There is a "terrible relativity" here. If we only do the bare minimum, it is not an asset to God, because God has already invested so heavily in us. God will not move forward with those who are insincere about that investment. He invested His only begotten Son—the greatest and final gift He had to give. God's love is a "shameless" love. If we do not love Him just as shamelessly—perhaps because we are too concerned with our local reputation or our high-ranking official status—and we refuse to yield, we will perish like a fragile earthen pot. No other plan will work. You must be intentional and "invested" in your interaction with God. John 3:16 describes the style of God's love: "For God so loved the world that he gave his only Son, so that everyone who believes in Him may not perish but may have eternal life." This is an unreserved, unconditional love that holds nothing back. While we may receive some material blessings freely, there eventually comes a point where a "payment" of surrender and devotion is required. To receive the "revised" or deeper version of His blessings, we need a special anointing. John 3:16 and Romans 8:32 are deeply linked. Romans 8:32 states, "He who did not withhold His own Son, but gave Him up for all of us, will He not with Him also give us everything else?" This verse teaches us not to try and "snatch" a blessing apart from Him. In God's priority, the first blessing He gives is Himself. If you prioritize your job, house, or marriage above Him or His Word, you lose your true value in His sight.

Christ walked with Lakshmi through all her exams. During one particular exam, the computer failed to show the remaining time or the number of questions left. Feeling panicked, she spoke to the Holy Mother in her heart: "Mother, I don't know how much time is left or how many questions remain. I am going crazy; please help me." The moment she prayed, a lady in a grey dress appeared. The communication within the Covenant is remarkable: "I will come with you wherever you go." This means that wherever you are in need, God will be there.

Through the examination hall, where thousands of people are sitting, a lady dressed in grey comes and shows the time in the computer, "Only twenty minutes remains, you have hundred questions to answer." Saying this she left. Lakshmi said to herself, "there is no hope, there are hundred questions and I do not understand anything. The only thing I did was sprinkle the blessed salt all the way from Kerala to the exam centre in Chennai." This is an exercise of faith. Jesus, I do not have the merit, I rely on Your grace. She said to herself I do not have merit and my merit is You and she sprinkled the salt from Kerala to Chennai. As she got out from the train, she sprinkled the salt there also and recited the Creed. That is an exercise of faith. It is not a declaration of faith but an exercise of faith. Faith may be expressed in three ways. Our faith converted into sounds and words can be offered to the holy presence of God. We call this process as prayer or supplication. That is what everyone does. For some subjects like major subjects or heavy-duty subjects, prayer alone will not suffice. This is because in prayer we are investing in the divine virtues of faith, hope and charity. But many of those divine virtues will be damaged. The reason for the damage in your faith is your old file. Often, the faith you have expressed in the old file will be damaged faith. This means, you follow a faith for a while and when you see that there is no growth in it as you expected, then your faith will fade. Hope will also have the same problems. Some days you have deliberately missed the family prayer and on other days you deliberately

missed the Mass in the church. You may be a person who has gone for a movie with friends, or stayed up all night watching movies for fun and went to bed at 4 a.m. and missed the Mass. This is the state of your prayer; we call it fake prayers. When it comes to expression of faith, according to Galatians 5:6, faith must be justified by works of love for God. James 1:22, "But be doers of the Word and not merely hearers who deceive themselves." When we say we are believers, God also must be convinced about it. There are people who have a mere business relationship with God. You say a few prayers; accordingly, you are granted a job, house or healing. A business transaction! The person who does this business transaction has no value in front of God. The reason is that there should be something for God to give us always. When it is said that, "For God so loved the world, He gave His only Son", seeing our fun and fact, there should be something for God to give us. As each day and each month passes, when account is carried forward to the next page, God should owe us something. That is the challenge of faith. The Holy Spirit should also help for that. Lakshmi has the help of the Holy Spirit. She learned to recite the rosary. When she did it especially, her ordinary life was changed. Whenever she gave a Kreupasanam newsletter, she attached a copy of a handwritten Apparition prayer in Malayalam. That is the matter. It is a powerful concept in the Bible. Luke 12:21, "So it is with those who store up treasures for themselves but are not rich toward God." If we are rich in the presence of God, everything becomes easy for us. The faith system of many of our traditional believers is a barter system. We recite a lot of prayers to God then we say, "let my daughter get married, let my plot be sold". If you do not consciously escape from such a level, those who come after you will move ahead. There is no doubt. They have learned the work of the gospel. Lakshmi says that, "I recited the Creed in my mind and attempted the questions. When twenty minutes have passed the correct hundred were completed." While I was asleep Mother Mary showed me the number 42. Then I said, "I failed, I only got 42." But when the results were published, I got 542. How interesting is this communication! This means Mother Mary said that you have only 42 marks to your merit and 500 marks are in my grace. That is what is deal or no deal. The covenant gives a golden opportunity to show Christ that you are sincere before God. You should try to use it sincerely. You should try to keep a more sincere relationship with God, i.e., when you take the Covenant, you should grow daily in the divine virtues. The testimony of Lakshmi and thousands of similar testimonies tells us this truth.

Mark 9:41, "For truly I tell you, whoever gives you a cup of water to drink because you bear the name of Christ will by no means lose the reward." This reward is the grace He has earned. You should pay more attention to your behavioural pattern after the Covenant, so be gentle, patient and merciful in each word you say. Mathew 7:16, "You will know them by their fruits. Are grapes gathered from thorns, or figs from thistles?" But when one man is in Covenant, he is in Christ. The Bible asks what are you especially doing? So, when you are in Covenant with God, what are you doing especially to the behavioural pattern? If you are a thorn bush, grapes should come from it; gentleness and calmness should come. Then to be in the Covenant is similar to becoming a martyr. It is to keep Christ on our side we are creating grapes from thorn bush, figs from thistles. We may be rough by nature, we may be stingy; but when we come to the Covenant, this behavioural pattern is overhauled and we build ourselves up in the name of Jesus. The Bible calls it the fruits of repentance. Luke 3:8, "Bear fruits worthy of repentance". Fruits that are worthy of repentance! Lakshmi says in her testimony that she forgave her enemies, changed her short-temperedness and impulsive behaviour. When talking about the fruits worthy of repentance; from this thistle, its appropriate fruit, fig should be there and, from the thorn bush, grapes. That is worthy of repentance. It is not possible to get it in any other way. So, Lakshmi has achieved a higher standard of gospel based behavioural pattern. God has no problem in Mother Mary coming and going to Lakshmi, listening to her when she speaks and doing things for her. Yes, God should feel that you are God's person. If you ask me why you should take the Covenant, I will say that it is only to become God's person. That is all. You are taking the Covenant to become God's person!

THE IMMEDIATE EXPERIENCE I HAD IN THE COVENANT, AFTER A LONG PERIOD OF SLEEPLESSNESS DUE TO STRESS AND STRAIN

For I know well the plans I have in mind for you... plans for your welfare and not for woe, so as to give you a future of hope-Jeremiah 29:11

Overwhelmed by job-related stress in Abu Dhabi and suffering from chronic insomnia, I turned to Kreupasanam at my mother's urging. After making a sincere confession and entering into the online Covenant, I experienced an immediate miracle: I was able to sleep peacefully without any medication in just one day. This newfound peace gave me the clarity to pursue a career change and move to a new country. Carrying the Covenant medal my mother gave me, I successfully passed the KAPS exam. Through continued prayer and the grace of the Covenant, I have now been blessed with a rewarding job in New Zealand

AS A MARTHOMA BELIEVER, I DID NOT BELIEVE IN THE BLESSED ARTICLES OF THE COVENANT. THE EXPERIENCE OF GOD WHEN I USED THE BLESSED ARTICLES WITH FAITH!

"For nothing will be impossible for God." — Luke 1:37

I am a Marthoma believer, so I did not believe in using the blessed articles of the covenant from Kreupasanam: blessed oil, salt, and honey. My husband and parents had come to Kreupasanam and taken the covenant. My husband and I are doctors. Then I became pregnant. When my parents asked me to use the blessed articles of the covenant, I, being a physician, was not interested. After that, I had internal bleeding, and I had to have a cesarean section and take out the baby, but the baby died a week later. It was too much for me to bear. After that, I came to Kreupasanam, took the covenant, and prayed. When I became pregnant again, I used the blessed articles and prayed. Each time I went for a scan, I prayed and placed the blessed salt on the scanning table. With the blessings of the Holy Mother, I was blessed with a healthy baby.

DURING THE DAYS WHEN I WAS SUFFERING FROM SEVERE LIVER DISEASE DUE TO DRINKING AND SMOKING AND VOMITING BLOOD, MOTHER MADE ME TAKE THE COVENANT THROUGH A SISTER AND IT CHANGED MY LIFE!!

"I will give you a new heart, and a new spirit I will put within you. I will remove the heart of stone from your flesh and give you a heart of flesh. You shall live in the land that I gave to your ancestors; you shall be my people, and I will be your God." — Ezekiel 36:26, 28

For the last 30 years, I was addicted to heavy drinking, drugs and smoking. I developed severe liver disease, my stomach was swollen due to jaundice, and I was vomiting blood. I was admitted to the ICU in the hospital. After being discharged, as advised by a sister, I came to Kreupasanam and took the covenant. I met Rev. Fr. Joseph, and he prayed for me. After that, stopped drinking and have not used any medicine till date. Also, I have been living in the state of Karnataka for 60 years, and I was unable to get a title deed written. As a result of placing the intention in the covenant, I got the title deed written. I also applied the covenant oil and prayed, and the itching on my foot was cured.

THROUGH A SINGLE LIGHT A CANDLE PRAYER, THE HOLY MOTHER BLESSED US WITH A HEALTHY BABY!

"Blessed are you who believed that what was spoken to you by the Lord would be fulfilled". — Luke 1:45

After our marriage in 2014, I became pregnant, but it was a miscarriage. I was living in Italy, and while I was there, I prayed and sent a light a candle prayer request. As a result, I became pregnant again, and the Holy Mother blessed us with a healthy baby. The Holy Mother also blessed us to buy a house and a car.

WE HAD BEEN APART FOR 3 YEARS. WHEN WE TOOK THE COVENANT, MOTHER BROUGHT US TOGETHER IN AN EXTRAORDINARY WAY!

"I will repay you for the years which the locust has eaten... You shall eat and be filled, and you shall praise the name of the Lord your God, who has dealt wondrously with you." — Joel 2:25-26

My wife and I were working in the UK. While living there, we had some disagreements, and we decided to separate. I went to my home country, came to Kreupasanam, and took the covenant. After that, I went back to the same place where I was working in Kuwait before going to the UK. We lived apart for 3 years. The children were also very worried. In the meantime, my wife had problems with her job in the UK, so she went back to her home country, took the covenant, and prayed. She passed the interview again, got a job in another company in the UK, and we are living happily together.

WHEN A YOUNG CHILD LAY IN CRITICAL CONDITION, BATTLING CONTINUOUS SEIZURES AND RELYING ON A VENTILATOR TO BREATHE, THE FAMILY SOUGHT THE INTERCESSION OF FR. JOSEPH.

"In their distress they cried to the Lord, who saved them in their peril, sent forth his word to heal them, and snatched them from the grave".- Psalm 107:19-20

My son had a fever and was admitted to the hospital as there was an infection in the blood. That night, the child vomited, had fits, and became unconscious. The child was put on a ventilator and was later transferred to Amrita Hospital. They did not promise to restore the child to the normal condition as before. My mummy and brother showed Rev. Fr. Joseph a photo of my son on the ventilator, and Father looked at the photo and prayed. After that, while participating in the online covenant retreat, during the healing adoration, Rev. Fr. Joseph gave a message that Jesus was healing a person with brain disease. My husband and I renewed our covenant and prayed. That same day, our son was removed from the ventilator and healed.

DIVINE INTERVENTIONS THAT TOOK PLACE IN THE COVENANT WITHIN A SHORT PERIOD OF TIME!!

"Unless the Lord build the house, they labor in vain who build." Psalm 127:1

When I took the online covenant, the Holy Mother fulfilled five of the six intentions I had placed in the covenant within a year. First, I placed the intention for a house, and I was able to complete the construction within eight months and live in it. After that, I got a job in the UK. I had also placed the intention to take my family to the UK, and that too was fulfilled. I received a house in the UK. I placed the intention to have another child, and the Holy Mother blessed me with a healthy baby despite many complications.

THE COVENANT I TOOK WHILE IN DUBAI CHANGED THE COURSE OF MY LIFE.

"So whoever is in Christ is a new creation: the old things have passed away; behold, new things have come" -2 Corinthians 5:17

We were living in Dubai as a family. My husband and I were working there. Later, my daughter, who had completed her MBA, came to Dubai and started working with a good salary. After six months, her company terminated employees, and she lost her job. Although she applied to many places, she did not get a job. Around the same time, I also lost my job. In that situation, I took an online covenant and prayed. In the covenant, I placed the intentions for both my daughter and I to get jobs, and for my husband's 25 year drinking habit to be broken. After 10 days, my husband quit drinking. Later, my daughter and I both got jobs.

KREUPASANAM MARIAN APPARITION INTERCESSORY PRAYER

Mother, Holy Mother, Mother of God, we are deeply grateful to you for all the blessings and graces showered upon us and our nation, through Kreupasanam by your powerful intercession.

Mother, Holy Mother, Mother of God, we humbly ask your prayers to initiate an objective and theological study, on the documents submitted to the Holy Catholic church, regarding the ecclesiastical approval of the apparition of Blessed Virgin Mary at Kreupasanam on December 7, 2004, at 2:30 p.m. Let this apparition reveal our Mother's special care and protection for the well-being of her children. May this apparition greatly enhance the Marian devotion of honouring her as the Comforter of the aicted, Queen of Prophets, Ark of the Covenant, and the Mother of heaven and earth By this let the thousands who are entangled in various miserable and tragic situations of life, experience more of God's presence and comfort; and let our families be sanctied and empowered thus. Mother, O Holy Mother, Queen of the Heaven and Earth, may this apparition prompt the Holy Catholic Church to consecrate the entire universe itself to you for its divine protection.

O Holy Mother, Mother of the most Holy Rosary, we oer the prayer intention of our family/community, (.....) in union with all the prayers of Kreupasanam, and kindly grant our petitions on this gracious occasion of your Apparition, Amen.
